

FAILED POLICY OR PURPOSEFUL CONSEQUENCES OF THE GOVERNMENT'S HANDLING OF THE SARS-CoV-2/COVID-19 PANDEMIC ---- HIDING INJURIES AND COMMITTING FRAUD

By Pastor Ricardo Beas 1/4/2022

In early 2019, the World Health Organization published a report titled ***“Ten Threats to Global Health in 2019.”*** In it, they named a ***“Global Influenza Pandemic”*** as the second biggest threat, and ***“Vaccine Hesitancy”*** as the seventh.¹ This was in preparation for what was coming a year later in 2020, the alleged SARS-CoV-2/COVID-19 (hereinafter COVID-19) Pandemic and the related worldwide lockdown.

For those of us *activists against forced vaccination*, that had been studying and analyzing much of the data showing that all vaccines in the childhood and adult vaccine schedules from the CDC where not effective or safe, but were instead causing many injuries and deaths, the risk overwhelmingly outweighing any benefits,² we had already seen an increase in censoring by mainstream social media outlets of our posts, such as Facebook. What we have now is totalitarian-like complete control and censoring of anything that questions the global vaccination agenda, in particular the COVID-19 vaccines; all you need to do is enter the word *“vaccine”* in any post in Facebook to get a message stating something like, *“Visit the COVID-19 information Center for Vaccine Resources,”* if not full censoring of the post with a message like, *“False information: checked by ‘independent’ fact-checkers,”* some if not all of which have been proven to have ties to Big Pharma and/or government agencies.

Mainstream media news outlets and talk shows operate in the same manner, and together their biggest crimes are (1) hiding and denying all the evidence of COVID-19 injuries and deaths, (2) not reporting on the inappropriate, harmful, and deadly hospital treatments those considered to be infected with COVID-19 are receiving, and (3) the attack on any person, medical professional, or scientist speaking in favor of inexpensive and readily-available medications that cure or lessen the symptoms of COVID-19, whether homeopathic ingredients and/or some well-known effective and inexpensive anti-viral/anti-parasitic drugs sold by Big Pharma, such as Ivermectin, Hydroxychloroquine, Budesonide, as well as Aspirin, Vitamin D, and Zinc.

HERE IS OUR ENEMY’S SECRET: The science is clear, but the ***“fraudulent pronouncements”*** by Dr. Fauci, the FDA, the CDC, the World Health Organization, other health authorities, and Big Pharma (I call them all *“Criminal Participants”*),³ are contrary to true science, proven by decades of peer-reviewed studies. Instead of these legitimate studies, they create fraudulent

ones to promote the Global Reset-linked **COVID-19 Pandemic Farce**⁴ and then they attempt to hide effective cures for COVID-19, as Dr. Fauci and others did when trying to discredit Hydroxychloroquine with an alleged peer-review study that proved to be fraudulent, later retracted by the publisher, The Lancet.⁵ **COVID-19 vaccines are causing permanent serious injuries and deaths worldwide.**

Thousands of scientists and medical professionals, as well as millions of freedom-loving Children of God around the world are protesting and exposing the harm of these forced vaccination and lockdown policies being forced everywhere, regardless of public opposition. Below is an expose of the things that are being hidden from the public that prove all my assertions. **Please help us to help all of us!**

PROOF OF THE DANGERS OF THE COVID-19 VACCINES AND THE FRAUD BEHIND THEIR PROMOTION AND THE LOCKDOWN

FOUNDATION: The FDA, after refusing to release documents pertaining to the Pfizer COVID-19 vaccine studies under a FOIA request by a private group, after being sued and told by a court to release them, then **requesting 55 years to produce the records**, and then being ordered again by the court to comply with the request, the FDA releases the first batch which contained **Pfizer's own report that revealed that from December 1, 2020 to February 28, 2021, the first 90 days that Pfizer's Covid-19 vaccine had been rolled out, there were 158,893 adverse events, 42,086 adverse reactions and vaccine injuries, and 1,223 deaths reported worldwide.** Appendix 1 of the report contains a list of adverse events of special interest and lists them all, one after the other, with no space lines. **The Appendix is 9 pages long!**⁶

1. Whistleblower Dr. Maria Gonzales, ER doctor, U.S. Department of Health and Human Services, confirms that the so-called COVID-19 hospitalizations and deaths, are not due to COVID-19 or their alleged variances, but instead are actually caused by the COVID-19 vaccines, and confirms that medical institutions are hiding such evidence and not reporting it as required by law in the Vaccine Adverse Event Reporting System (VAERS).⁷

Note: See VAERS reports of COVID-19 injury and death totals through November 5, 2021, as well as a graph showing reports of all vaccine-related deaths to VAERS since the inception of that program at the end of this report, noting that according to a Harvard study sponsored by the CDC, less than 1% of injuries and deaths are reported to VAERS as required by law.⁸

2. Whistleblower Deborah Conrad, Hospital Physician's Assistant, revealed that healthcare providers, including hospitals, doctors, and nurses have failed to report massive numbers of

vaccine injuries to VAERS, even though it is required by law. She saw a large increase in pneumonia cases after people started receiving the COVID-19 vaccines. She also saw increases in heart attacks, strokes, gastro-intestinal bleeding, appendicitis, pancreatitis, and recurrent cancers on vaccinated patients.⁹

3. To try to prove Mr. Joe Biden's claims that the unvaccinated are responsible for the surge in COVID-19 hospitalizations and deaths, an ABC affiliate asks the unvaccinated to tell their stories if they got COVID-19 because they were not vaccinated, and instead got thousands of comments regarding those vaccinated suffering serious injury and death. An article that was published regarding this was titled, *"Unexpected and heartbreaking: Thousands flood ABC affiliate's Facebook page with **VACCINATION HORROR STORIES.**"*¹⁰

25. By CDC instructions, COVID-19 PCR tests are being run at +40 cycle threshold, dramatically increasing the probability of false positives, as confirmed by Dr. Fauci, who stated in an interview that when doing PCR testing, the odds of getting an accurate result at a 35 cycle threshold or higher was “miniscule.”³²

28. The CDC changes its definition of “*vaccination*.” Before the change, the definition for “*vaccination*” read, “*the act of introducing a vaccine into the body to produce immunity to a specific disease.*” Now, the word “*immunity*” has been switched to “*protection.*” The term “*vaccine*” also got a makeover. The CDC’s definition changed from “*a product that stimulates a person’s immune system to produce immunity to a specific disease*” to the current “*a preparation that is used to stimulate the body’s immune response against diseases.*”³⁵

29. Athlete injured by COVID-19 vaccines is attacked for telling his story, becomes suicidal.³⁶

30. Dr Fauci, as well as the World Health Organization confirm that asymptomatic carriers of COVID-19 do not spread the disease, making masking and PCR testing when no symptoms exist unnecessary to stop the spread of the disease.³⁷

31. The CDC deceptively ordered states to fraudulently inflate COVID-19 cases, making one case into 15. See Collin County, Texas, Commissioners Court describing how this will affect their COVID-19 numbers.³⁸

32. People on live TV, including athletes, are collapsing, and dying out of nowhere.³⁹

33. The CDC, through the National Vital Statistics System, ordered all medical establishments to code deaths as being due to COVID-19, even if no test is done. The death certificate instructions read in part, “*In cases where a definite diagnosis of COVID–19 cannot be made, but it is suspected or likely (e.g., the circumstances are compelling within a reasonable degree of certainty), it is*

34. Although not reported on mainstream media and social platforms, hundreds of thousands of persons all around the world are protesting against the government-imposed forced vaccination agenda and related lockdowns.⁴¹

35. Pfizer attempts to hide that their COVID-19 vaccines have fetal tissue/DNA so it cannot be used by a person as a justified reason to refuse vaccination.⁴²

36. Molecular biologist and toxicologist is calling for an immediate halt to the COVID-19 vaccines due to concerns about menstrual irregularities, hemorrhaging and the potential for miscarriage.⁴³

37. VAERS COVID-19 ADVERSE EVENTS/INJURY REPORTS AS OF NOVEMBER 5, 2021

TOTAL ADVERSE EVENTS REPORTED	875,651
DEATHS	18,461
HOSPITALIZATIONS	91,982
URGENT CARE	97,715
DOCTOR OFFICE VISITS	136,785
ANAPHYLAXIS	7,984
BELL’S PALSEY	10,981
MISCARRIAGES	2,887
HEART ATTACKS	9,094
MYOCARDITIS/PERICARDITIS	12,131
PERMANENTLY DISABLED	29,104
TROMBOCYTOPENIA/LOW PLATELET	4,268
LIFE THREATENING	20,644
SEVERE ALLERGIC REACTION	33,259
SHINGLES	10,289

Note 1: All these types of adverse reactions, injuries, and deaths are noted in COVID-19 vaccine manufacturer’s study reports.

Note 2: According to a Harvard study sponsored by the CDC, **less than 1% of vaccine injuries are reported to the VAERS system**. See <https://tinyurl.com/VAERS-Harvard-Pilgrim-Study>. If this is correct, two zeros can be added to the above numbers, **total deaths potentially becoming 1,846,100, more than twice the alleged COVID-19 deaths**. As to reporting vaccine injuries and deaths, the CDC and the other Criminal Participants don’t order that they be reported, but instead discourages such reporting, as noted by the whistleblowers above.
